ORDER DENYING DEFENDANT'S MOTION FOR REHEARING

THE COMMISSION having considered the defendant's motion, filed on August 13, 1973, for rehearing of the Commission's decision of June 13, 1973, 30 Ind. Cl. Comm. 388, in the above-captioned consolidated case, and

THE COMMISSION's opinion being that the determination of any confirmed private land claims, which as a matter of law must be excluded from any computation of acreage for which additional compensation may be awarded (Sac and Fox Tribe v. United States, 25 Ind. Cl. Comm. 414 (1971)), logically

and more efficiently should be considered as part of subsequent proceedings in these dockets relating to the acreage and value of the lands involved, and that the parties, being cognizant of the law on this matter, will take account thereof in their preparation for such subsequent proceedings,

IT IS HEREBY ORDERED that defendant's motion for rehearing be, and the same is hereby, denied.

Dated at Washington, D. C., this 19th day of September, 1973.
